About Us

Super Clean Inc. was founded by Mark Coleman on July 01, 2000. The company offers general janitorial, industrial cleaning, and medical or dental janitorial services.

Scope of Work

The company will be responsible for the general cleaning of St. Martin General Hospital, including its parking area and medical facilities.

Objectives & Timeline

The company's first objective is to identify the hospital's type of wastes and create workflows on how to clean them. Danny Durst, the company's cleaning specialist, will visit the hospital on May 25, 2025 to determine such wastes.

The company's second objective is to grasp the hospital's entire area to determine the logistics of wastes. Fred West, a cleaning specialist, will visit the hospital on May 25, 2025 to familiarize the area.
